

PHD PROGRAMS AT UIF

We offer two doctoral programs at **the University of Insurance and Finance**:

"Finance, Insurance, and Social Insurance" and **"Accounting, Control, and Analysis"**.

They cover a wide range of the professional fields of Economics:

- finance
- business
- insurance
- social and health insurance
- banking
- marketing
- accounting
- control
- audit and analysis
- financial mathematics
- management
- entrepreneurship, and everything else related to economics.

For the PhD (Doctor) degree, UIF is accredited by the Standing Committee on Economic Sciences and Management of the National Evaluation and Accreditation Agency – NEAA, which is a full member of the European Association for Quality Assurance in Higher Education ENQA and a full member of the European Register of Quality Assurance of Higher Education EQAR. A PhD diploma obtained at UIF is recognized all over the world.

UNIVERSITY OF INSURANCE AND FINANCE OFFERS PHD TRAINING IN AN INDIVIDUAL FORM OF STUDY FOR:

PhD students - an enrollment requirement is a draft of a dissertation to be submitted

PhD candidates - without a draft of dissertation

In the second case, the PhD-candidate receives methodological assistance from a scientific counselor to prepare a dissertation draft. After approval of the draft, the PhD candidate is enrolled in a doctoral program as a PhD student.

APPLICATION PROCEDURE

Admission to PhD programs at UIF is open to Bulgarian and foreign citizens, holders of a Master's degree diploma, without age restrictions.

The forms of studying are:

- **Individual** – admission without competition, all year round
- **Full-time/part-time** – admission by competition and entry examinations

ADMISSION PROCEDURE IN INDIVIDUAL FORM – FOR CANDIDATES WHO HAVE A DRAFT DISSERTATION OF A MINIMUM 60 PAGES

1. Preparation of documents – Application to the Rector
2. Submission of the documents to the Centre for Doctoral Studies and Academic Development.
3. Verification of the Master's degree diploma and the academic transcript at NACID if the applicant is a graduate of a foreign university.
4. Signing of a training agreement.
5. Discussion of the draft of the dissertation in the relevant department.
6. The Doctoral Programs Board approves the topic, the supervisor, and an individual study plan.
7. Order of the Rector for enrolment in a doctoral program of an individual form of study.
8. The training begins.

*UIF also accepts PhD candidates – applicants who do not have draft dissertations. Such candidates receive methodological assistance from a scientific counselor in order to prepare a draft. After approval of the draft, they are enrolled in doctoral studies in an individual form.

ADMISSION PROCEDURE FOR PHD-CANDIDATES

1. Preparation of documents – Application to the Rector
2. Submission of documents to the Research and Doctoral Training Center.
3. Verification of the Master's degree diploma and the academic transcript at NACID if the applicant is a graduate of a foreign university.
4. Signing an agreement for counseling and methodological assistance.
5. Discussion in the Doctoral Programs Board and appointment of a scientific counselor.
